Enter the Libero's number(s) next to the L1; and L2: (if two are used) located at the top right of each tracking sheet and starting players' numbers in the SP column in serving order. When a Libero enters, record an L. When a Libero is replaced, record the replacement player's number. Record regular subs by crossing off the player's number leaving the set and record the player's number entering the set. If a Libero serves, place a triangle around the serving order position in which the Libero served.
